

# Modern and Contemporary Wing, Impressionism and Modern Art, Floor 1, Gallery 109

Welcome to the  
Portland Art Museum!

Explore the galleries through BINGO.

- Adults and youth play BINGO together! These cards are a chance for all ages to talk, draw, and discover together. Kids under 10 will especially appreciate adult support.
- Draw or write your answers in each box or on the back.
- There is more than one answer for many of the questions.
- Completing a row is great. Completing the whole board is even better!
- Not sure what to do when you are done? Check the back of this card for some ideas...

Find an artwork made of dots.

Find an artwork that looks like it is missing something. What do you think is missing? Explain your thinking to a friend.

Find an artwork of a peaceful moment.

Find an artwork with a scene in it that you'd like to visit. What is going on in the picture that you would enjoy? Explain your thinking to a friend.

Find an artwork where it feels like you are taking a walk in a town with nobody else in it.

Find two artworks that are similar and two that are opposites.

Find an artwork of a person dressed up and looking their best.

Find an artwork where a person is showing a lot of emotion. What do you think the person is feeling?

Find an artwork that takes place by water.

### What to do when you are done:

- 1) Sketch two artworks in the gallery below.
- 2) Rename the two artworks that you sketched with your own titles.
- 3) If you could ask the artist one or more questions, what would you ask about the artworks you sketched?

Did you know  
that children 17 and  
under are always  
free at the museum?

# Modern and Contemporary Wing, Impressionism and Modern Art, Floor 1, Gallery 110

Welcome to the  
Portland Art Museum!

Explore the galleries through BINGO.

- Adults and youth play BINGO together! These cards are a chance for all ages to talk, draw, and discover together. Kids under 10 will especially appreciate adult support.
- Draw or write your answers in each box or on the back.
- There is more than one answer for many of the questions.
- Completing a row is great. Completing the whole board is even better!
- Not sure what to do when you are done? Check the back of this card for some ideas...

Find an artwork with more than one tree in it and one with only one tree in it.

Find an artwork where people look like they are on vacation.

Find an artwork that looks very different up close compared to when you take four steps back.

Find an artwork that could take place in Oregon. What makes it look like Oregon.

Find an artwork showing a house with no door.

Find an artwork that could take place in outer space.

Find an artwork made mostly of triangles and rectangles.

Find an artwork that takes place at night and one that takes place during the day time.

Find a 2D artwork and a 3D artwork. Explain what makes one 2D and the other 3D.

### What to do when you are done:

- 1) Sketch two artworks in the gallery below.
- 2) Rename the two artworks that you sketched with your own titles.
- 3) If you could ask the artist one or more questions, what would you ask about the artworks you sketched?
