THE STREETS WILL NOW SPEAK FOR ME!

I CAN'T BREATHE  
WORLD WATCHES US DIE  
IS ROLLING LIKE  
CITY SHOW ANOTHER  
WILL SHOUT "CUT"  
WATCH A BLACK  
DIE AS WE STANDBY?  
EVER LOOKED IN THE  
EYES OF A BLACK MAN?  
EVER SEEN OUR HEARTS SMILE?  
EVER FELT OUR LOVE?  
HOW LONG WILL YOU PREY ON US  
BUT TREAT US LIKE PREDATORS  
WHEN WE KNEEL IN PEACE YOU  
CALL FOLL. WHEN WE PLEAD FOR  
OUR LIVES WHILE YOU KNEEL ON  
OUR NECKS WITH YOUR HANDS IN  
YOUR POCKET LIKE THIS IS JUST  
ANOTHER DAY WE CRY AS OUR  
BREATH STARTS DISTANCING ITSELF  
FROM OUR BODIES. TIME STANDS  
STILL WHILE THE CLOCK KEEPS

LIFE

CKING... AND WE CLOSE OUR EYES  
BECAUSE WE GET TIRED OF FIGHTING  
AND WE WONDER IF GOD'S WORDS  
ARE TRUE... WILL YOU BE WITH US  
UNTIL THE END OF TIME OR UNTIL  
TIME ENDS?

BREATH

I GO SEARCHING FOR ANSWERS TO  
UNANSWERED PRAYERS BECAUSE IF I  
STOP BELIEVING IN LIFE, THEN WHAT?  
SO I GO TO THE VERSES AND  
SEE IF I CAN FIND DEATH IN THE  
MIDST OF THIS PAIN BECAUSE I'M NOT  
OK. THAT FOR 400+ YEARS OUR BLACK  
LIVES DON'T SEEM TO MATTER TO ANYONE  
BUT OUR MOTHERS, CHILDREN AND LOVERS

DEATH

GEORGE FLOYD'S LAST WORDS INCLUDES  
MULTIPLE CRIS OF "I CAN'T BREATHE" AND  
CALLING FOR HIS "MAMA". WHEN WILL YOU LISTEN?  
WHEN WILL YOU HEAR US? WHEN WILL YOU BELIEVE US?  
LUKE 8:46 BUT JESUS SAID "SOMEBODY  
TOUGHED ME FOR I PERCEIVED POWER  
GOING OUT FROM ME"  
JOHN 8:46 WHICH OF YOU CONVICTS ME?  
AND IF I TELL YOU THE TRUTH, W.  
DO YOU NOT BELIEVE ME?

stuff we did to pass the time while stuck at home

## SCRATCH BAKING + COOKING

like billions of other people I found welcome distraction in learning to cook new things, like french bread, pizza dough, and even homemade seitan. I created a sourdough starter too BUT haven't used it much (yet).

## THE QUEST FOR THE PERFECT FACE MASK

Between my astigmatism and small nose, I've found it nearly impossible to wear a mask safely without my glasses fogging up, falling off, or sitting askew and distorting my vision.

FINALLY CREATED A BLOG (... even if it only has four entries so far...)

## STARTED PLAYING MINECRAFT

The summer of 2020, in which our responses to the kids' endless Minecraft talk evolved from "mm-hmm that's nice dear" to "How do I enchant my pickaxe like that??"

## BUILT A RUBE GOLDBERG MACHINE

with Wesley that, upon turning on the faucet, delivered a bar of soap into your hands 10 steps later.

## GARDENING EXPERIMENTS

... including basic veggies, alfalfa sprouts, and apple + avocado seedlings

## DIGITAL MUSIC MAKING

I finally installed Ableton + FL Studio and started learning how to produce digital music (after decades of wanting to...)

FULL MOON OVER DESTITUTE Beach

I've been feeling pretty lonely lately.

I miss my friends.

I miss going out to eat.

I miss dance,

There's things that make it better, like facetimeing Etta, and virtual ballet classes

And Molly being home ♡

BUT IT'S  
NOT THE  
SAME.

1. We are grateful to gather today at B/ Corner to share a meal and this time with our family all together. We're so thankful for our health, for our strong family relationships and for the life force that animates our days.
2. The town we know as White Salmon was part of the home of the Klickitat tribe, now part of the Yakama Confederated Nations. In the 1850s, The Klickitat Tribe sold land to settlers called the Joslyns and they established White Salmon. Their farm was burned during the Yakama Wars of 1855, but they would later rebuild.
3. In 1858, white settlers moved in after the Klickitat and Yakama lost the fight for their homelands in the Yakama War. The Klickitat were forced to relocate to the Yakama Reservation where some of them continue to live today. There is a small piece of land at the mouth of the White Salmon river where the local tribes retain fishing rights and some live year-round, but without federal recognition.
4. We acknowledge that we are on territory formally inhabited by the Chinook, Yakama, Wasco and Wishram tribes. We admire that indigenous people from the past had a different kind of relationship with the animals and the land around them, and we understand that these people continue to live among us today. We're so grateful to be able to live on this land.
