

PAM CUT

CO:LABORATORY

**SUMMER
CAMPS
2024**

Designing to the MAX!

Looking for summer camp experiences that are fun, funky, and beyond your traditional arts and crafts? Get ready for our PAM CUT Co:Laboratory summer camps dedicated to the exhibition *Future Now! Virtual Sneakers to Cutting Edge Kicks*, where we'll unravel the intricate dance between design and art—from accessories to DJing to game design, and yes, even sneakers! PAM CUT camps are designed for ages 8-10 and 11-14, with one week for high school students ready to discover the art of sneaker design and fabrication. Lace up your creativity and join us for a summer of unforgettable artistic adventures!

Questions about camp? Please contact **Keri Jhaveri**, Head of Co:Laboratory, at keri@pamcut.org.
