Can I use my donor-advised fund (DAF) or a qualified charitable distribution (QCD) from my IRA to join or renew my Patron membership?

You can only use your DAF or a QCD if you decline all benefits associated with the contribution. Consistent with IRS rules, the Portland Art Museum cannot provide membership benefits that have value for tax purposes in return for DaAF grants or QCD gifts. If you have additional questions, please consult your tax advisor.

Double your impact.

Matching gifts are an easy way to double (sometimes even triple!) your donation to the Portland Art Museum. Many organizations financially match their employees' gifts to nonprofit organizations like the Museum. Check with your human resources department.
